

Explotrain®

X-0™ Explosive Blast & Battlefield Effects Simulators

Explotrain's Original Mid-Size Simulators produce 120+dB blast effects at a cost of 10 Cents/Shot

X-02™

Best suited for scenarios where it will be subjected to rough handling, transport or extended periods of inclement weather.

X-03™

A lighter weight and more portable Simulator with externally mounted gas cylinders. Also includes built in smoke generating capability.

X-04™

Removable Sound Chamber can be deployed 50 feet away from the main enclosure for the ultimate in concealability.

X-OHW™

110+dB Blast. Easily transported and concealed. Can be mounted on the exterior of a building or vehicle.

X-05™

120+dB Blast. Separate Chamber with Deployable Legs can be partially buried or submerged. Includes Long Range Transmitter.

X-OMG™

130+ dB Blast. The much larger Sound Chamber can be oriented towards mounted troops for extreme directed effects.

X-ROW™ CO2 powered Rocket On Wire simulates flight of Rocket Propelled Grenade. Includes shoulder fired launcher.

X-CAL™ Simulates small arms automatic fire with interchangeable barrels for different effects. Extreme cold weather compatible.

Communication Options

X-MIT™, X-LRT™, X-COM™ Provide up to 1/2 mile range remote control for multiple Simulators.

Keyfob Small handheld transmitter with 100 to 150 foot range.

RS 232/RS 485 Interface directly with your existing computer based control system.

Hardwire Connect directly to triggers, sensors or existing interfaces.

Accessories

X-IED & Trigger Control Unit Incorporate with Simulated IED, trigger and X-0 Unit to completely replicate IED chain. X-IED requires X-MIT, X-LRT or X-COM Communication Option.

Triggers & Sensors Pressure Pads, Trip Wires, Motion Detectors or custom made.

Smoke Attachments Attach to X-0 Unit and use with Smoke Candles for additional effects.

Smoke Candles Electrically ignited, produce 40,000 cu ft of smoke for 3 minutes.

All Explotrain® products come with a full one year manufacturer's warranty and the BEST customer service in the business.
